I am getting an access denied for this file.

Is it ok?

I was able to download it a few hours ago.

There is a typo (an "l" in "proglang" and the file is hw6graphics.rb) in the url try: <https://spark-public.s3.amazonaws.com/proglang/proglang-003/assignments/hw6graphicsswing.rb> it should work (at least it worked for me).
